Term 2 Week 10: June 29 to July 3, 2020

The year so far has been one of our most memorable. Staff and students have handled the challenges of remote learning and the return to school really well. Our technology skills are better than ever, with Zoom meetings and Google Classroom now the norm.

At the end of this week, students will be on two weeks holiday. Hopefully this will be a time to rest and recharge, ready to come back ready for learning in Term 3. Our HSC students have holiday tutorial classes during the break. These generally run between 9-3pm each day and are a valuable way to revise and prepare for the HSC Trial exams in Term 3.

We still have some loan laptops and dongles available for loan to our seniors. Year 11 and 12 students should see their student adviser or our librarian, Mrs McKenzie, for details and a note.

Mr Burnard has been enjoying his stint over at Kellyville High School and will be needed there for at least part of next term as well. In the meantime, I'll continue relieving as principal and Mrs Sukkar will be relieving as DP.

Have a great week and a safe and happy Term 2 holiday,

Jason White (Relieving Principal)

UP-COMING EVENTS

This week

- Year 11 & 12 laptop and dongle loans – all week
- Year 7-10 Semester 1 reports handed out – Thursday

Further Ahead

- Students return to school for Term 3 – Tuesday 21st July
