Term 2 Week 8: June 15 to 19, 2020

We've all been back at school full time for three weeks now. The Department of Education has allowed some more activities to occur from this week. This includes assemblies and other in-school activities. We'll have to wait until Term 3 for things to get fully back to (mostly) normal, but this is a good start.

Now that these routines are back, please make sure students are on time each day and are wearing full school uniform. We've extended the sale for jumpers and jackets to support this. They're discounted by \$5 until the end of June.

Our enhanced hygiene and cleaning measures are working well. This includes day cleaners and extra personal hygiene equipment.

We still have loan laptops and dongles for our senior students to borrow. Please see Ms McKenzie in the library if you are interested.

Have a great week,

Mr Jason White
Relieving Principal
