Term 2 Week 9: June 22 to 26, 2020

After the home learning experience of April and May, being back at school has undoubtedly been a very important and successful change for our students. With two weeks until the school holidays, we're all still working hard to engage students in quality learning and finishing the term on a positive note.

On that note, Year 12 students are being provided extra support to prepare for the HSC. This includes our subscription to Edrolo (an online learning portal), holiday tutorial classes, and laptops/dongles available to borrow.

Teachers are busy preparing Semester 1 reports for students in Years 7-10. These will be handed out to students in Week 10. While we are unable to have our regular parent-teacher night this year, please feel free to contact the school and request a parent-teacher phone call to discuss your child's progress.

Have a great week,

Jason White (Relieving Principal)
