

Bidwill Events

Term 3 Week 9: September 14th to 18th, 2020

The safety and wellbeing of our students is our most important priority and goes hand in hand with a strong learning culture at Bidwill Campus. One of the most important parts of safety is school drop off and pick up times. Our school is fairly unique, as we share a site with Bidwill Public School and Preschool - which means children from 4 to 18 years. This means a busy time at the start and finish of each day, especially with parents and carers often having multiple drop offs and pick ups.

To help us maintain a safe environment for our students, please remember to:

- Stick to the school zone speed limit - 40 km/hr - mornings 8.00 - 9.30am and afternoons 2.30 - 4.00pm
- Use the various parking spots along Bunya Rd and Moreton Bay Square at the front of the school, and Kidd Close and the Bidwill Reserve parking area at the back of the school.
- Observe the road rules, especially avoiding double parking, illegal U turns and dropping children off in the middle of the road or while stopped at the pedestrian crossing
- See the school office or one of the teachers on 'gate duty' if you have any concerns

There's been some good news on the Year 12 Graduation and Formal front. New guidelines for these events have just been released and we're working on a plan to help celebrate these milestones. The events will be quite different to what we are used to holding, though we're confident that students will have a positive experience. Specific details will be provided by the end of the week.

Have a great week

Sincerely,

Jason White (Relieving Principal)

UPCOMING EVENTS
